

## The Gym Group – Additional Terms for 2019 Student Membership

### Introduction

The following terms apply to our student fixed-term membership product (“Student Membership”) sold between Thursday 15 August 2019 and Thursday 31 October 2019. These terms are in addition to our standard Membership Agreement and Terms and Conditions (<https://www.thegymgroup.com/legal/>) and our Privacy & Cookie Policy (<https://www.thegymgroup.com/privacy-cookie-policy/>), which also apply to the Student Membership.

By completing the joining process on our website and becoming a member of The Gym with a Student Membership you are accepting all the terms and conditions in this document. You should only join if you have read them and accept them.

### Additional Terms

1. The Student Membership can be purchased for a one-off payment of either £109, £139 or £159 depending on the gym location. This price includes a £20 joining fee and applicable VAT. Please see our website for individual gym pricing (<https://www.thegymgroup.com/find-a-gym/>).
2. The duration of the Student Membership is 9 months and commences from the day you purchase your membership.
3. The Student Membership fee is non-refundable, except within the initial 14-day statutory period. For your cancellation rights please refer to “Ending your Membership” in our main Membership Agreement (<https://www.thegymgroup.com/legal/membership-agreement/>).
4. No other discount can be used in conjunction with the Student Membership. Specifically, joining fee promotions available for monthly membership products do not apply to the Student Membership product.
5. To be eligible to purchase a Student Membership you must confirm that you are in Full or Part-time education. You must be able to validate your Student Membership eligibility. We ask that you bring proof of your student status with you (for example, a Student ID card) when attending one of your selected Student Membership gyms. We reserve the right to authenticate your status at any time via ID spot checks. If you are unable to provide proof, we also reserve the right to cancel your membership with immediate effect and without a refund.
6. Our 2019 Student Membership includes our DOIT monthly membership benefits (with the exception of being fixed term rather than no contract), which are available to review in our standard Membership Agreement and Terms and Conditions (<https://www.thegymgroup.com/legal/membership-agreement/>), plus the following benefits:
  - a. **“Access to 2 Gyms”**
    - i. “Access to 2 Gyms” enables you to select both a “Primary” and “Secondary” gym location.
    - ii. You can choose any open gym as your Primary location. However, the Primary gym selected must be the location that you will use most frequently during the lifetime of your Student Membership.

- iii. You can choose any open gym as your Secondary gym, except where the price of the Secondary gym is more expensive than the Primary gym you have chosen. If over the course of your membership you choose a gym where the Student Membership is more expensive than your Primary gym, and you visit this location more frequently than your Primary gym, we will charge you for the difference in price at the end of your membership term. We reserve the right to monitor gym usage to ensure that the correct payment is made.
    - iv. You can change the location of your Secondary gym via the online Member Area and will be charged an administration fee of £5 each time you do this.
    - v. Primary and Secondary Gym access lasts for the lifetime of your Student Membership.
    - vi. This benefit is included in the Student Membership and cannot be removed or refunded once purchased.
  - b. **“Unlimited access to FitQuest, Body Composition & Fitness Measurement Technology”**
    - i. “Unlimited access to Body Composition & Fitness Measurement Technology” will be provided by our in-gym FitQuest machine, available in every gym.
    - ii. To take a measurement please use your PIN code to unlock the FitQuest machine and then follow the on-screen instructions.
    - iii. You can take measurements as regularly as you wish during the lifetime of your Student Membership, but please note that your account will be configured to your unique data (date of birth, height, gender etc) so the results are only applicable to you, and your PIN must not be shared with other Gym users at any time (see <https://www.thegymgroup.com/legal/the-gym-membership-rules/>).
    - iv. Access to this technology lasts for the lifetime of your Student Membership.
    - v. This benefit is included in the Student Membership and cannot be removed or refunded once purchased.
7. The Student Membership is available at open gyms only and some exclusions may apply. There is limited availability at each gym. We reserve the right to remove the Student Membership from individual gym locations at any time and without notice.
8. You will be notified that your 9-month Student Membership is coming to an end approximately one month before it finishes, as you may wish to continue with us on a monthly membership once the fixed term period ends. When on a monthly Direct Debit you can cancel at any point and without further cost; for your full cancellation rights please refer to “Ending your Membership” in our main Membership Agreement (<https://www.thegymgroup.com/legal/membership-agreement/>).
9. We reserve the right to make reasonable changes to the Gym Membership Rules and the Membership Agreement at any time. It is your responsibility to check online at regular intervals for changes to these documents.
10. We recommend that you print out a copy of these Additional Terms for your records and future reference.
